

## *To be the best we can be.*

### **Our equality objectives are:**

- To promote spiritual, moral, social and cultural development through all appropriate curricular and extra-curricular opportunities . We aim to meet this objective with particular reference to issues of equality and diversity.
- To reduce prejudice and increase understanding of equality through direct teaching across the curriculum. In particular we will be looking to reduce religious prejudice through inclusion days.
- To promote cultural development and understanding through a rich range of experience, both in and beyond the school.
- To provide all pupils, regardless of their starting points or possible disadvantages, with access to an education which equips them with the necessary knowledge, skills and values so that they can function effectively as global, national and local citizens and which prepares them for the community and the world in which they will grow up.
- To eradicate prejudice related bullying in relation to the protected characteristics listed in the Equality Act 2010.
- To tackle prejudice and promote understanding in relation to people with disabilities.
- Encourage all pupils to be successful learners who enjoy learning, make progress and achieve their potential; to be confident individuals who are able to live safe, healthy and fulfilling lives; to be responsible citizens who make a positive contribution to society.
